## NOTES ON METHODOLOGY

### Sources and methods of data collection

Data on registered motor vehicles and trailers and road traffic accidents are supplied by the Ministry of the Interior of the Republic of Croatia.

### Coverage

Data on vehicles registered for the first time include brand new vehicles as well as second-hand vehicles registered in the Republic of Croatia.

Data on killed and injured persons in traffic accidents cover all participants of traffic accidents on the territory of the Republic of Croatia, irrespective of their citizenship. A person killed in a traffic accident is any person killed on the spot or died on the territory of the Republic of Croatia within 30 days from effects of a traffic accident, irrespective of citizenship.
